

# Reading Comprehension

## Making A Snowman

It snowed all night. The ground was white. Jan and Kim went outside. They rolled a big ball of snow. This was the bottom of their snowman. They made a middle ball and a head. They used a carrot for the nose. Sticks became arms. Their snowman was perfect!

1. What did Jan and Kim do first?

---

2. What did they use for the nose?

---

3. What did they use for the arms?

---
