## Plants Around Us

Plants are our friends. They give us many things. Some plants give us food like fruits and vegetables. Trees give us shade on hot days. Plants also give us clean air to breathe. Some plants have beautiful flowers that make our gardens pretty. We must take care of plants by watering them. Plants need sunlight to grow. They also need good soil. Let us all plant more trees and make our Earth green.

1. Name two things that plants give us.

---

2. What do plants need to grow well?

---

3. Why should we plant more trees?

---
