

Reading Comprehension

The Big Tree

A big tree stands in the park. It has green leaves. Birds make nests in the tree. Children play under the tree. In fall, the leaves turn red and gold. The leaves fall to the ground. In winter, snow sits on the branches. The tree waits for spring to come again.

1. Where is the big tree?

2. What do birds do in the tree?

3. What sits on the branches in winter?
